

فَلْيَنْظُرِ الْإِنْسَانُ مِمَّ خُلِقَ

خُلِقَ مِنْ مَّاءٍ دَافِقٍ

يَخْرُجُ مِنْ بَيْنِ الصُّلْبِ وَالتَّرَائِبِ

إِنَّهُ عَلَى رَجْعِهِ لَقَادِرٌ

(الطَّارِقِ - ٥:٨)

{So let man observe from what he was created(5)He was created from a fluid, ejected,(6)Emerging from between the backbone and the ribs(7) Indeed, He [i.e., Allah], to return him [to life], is Able(8)}

Quran (86-5:8)
