[هود: ١٠٠ - ١٠٢]

{ That is from the news of the cities, which We relate to you; of them, some are [still] standing and some are [as] a harvest [mowed down].

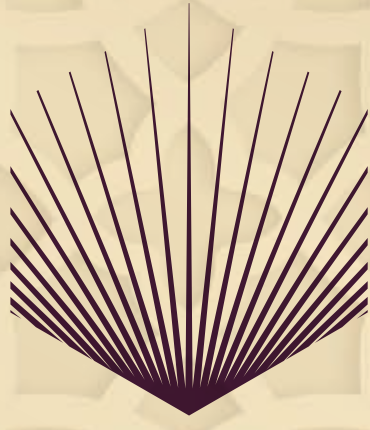

And We did not wrong them, but they wronged themselves. And they were not availed at all by their gods which they invoked other than Allāh when there came the command of your Lord. And they did not increase them in other than ruin.

And thus is the seizure of your Lord when He seizes the cities while they are committing wrong. Indeed, His seizure is painful and severe }
